# JURY

**Ilgar Jafarov**, AFIAP, was born in 1960. In 1990, he graduated from the photojournalism faculty of the USSR Union of Journalists in Moscow. He currently works as a senior photojournalist at the 100-year-old Azerbaijan State News Agency. He has photographed several Olympic and Paralympic Games.

In 2015 and 2017, his name was included in the annual journal of the American Society of Photography in the genre of photojournalism, "Who's who in photography." He is an "honored cultural worker" of the Republic of Azerbaijan. In 2010 he was awarded the "Photographer of the Year" and in 2015 the "Press Photographer of the Year" in Azerbaijan. He was awarded an honorary diploma for the promotion of Azerbaijani photography in the world. He has participated in photo contests in about 50 countries and won more than 100 awards. He has been a judge in international photo competitions since 2018.

**Vladimir Jovanovski**, MPSP, GPU HERMES, RISF5, was born in 1983. He is a distinguished photographer from North Macedonia and the most successful representative of Macedonian photography, having taken part in numerous international exhibitions around the world. He has exhibited his works in 35 countries and as a result, has received over 100 awards and certificates. He was proclaimed by The Photographic Society of Macao as one of the 100 most influential photographers in the world. In 2018, he has received the award for best world photographer from the Photographic Arts Federation of Turkey. His biggest successes, according to him, are the projects 'The other one hundred' and 'On Macedonian photography'. He was a member and president of the Photo cinema club 'Kozjak' from Kumanovo. Currently he is an active member of Photo club 'Kumanovo'. He is also the director of Malinski Photo Festival, an honorary member of Image Sans Frontier, Image Colleague Society and the Photo Club 'Kragujevac'. He is also a representative of PSA, GPU and ISF for the Republic of Macedonia and the current president of IAAP. When it comes to his photographs, he is not a mere recorder of things. In the last couple of years, his approach has been more thematic.

**Dilaver Najafov**, was born in 1973. He has been a photojournalist for the Idman (Sport) newspaper since 1996. He participated in several Olympic Games as a photographer. He is working to create a photo chronicle of the achievements of Azerbaijani sports in sports competitions in Azerbaijan and abroad. For his services, he was awarded the "Progress" medal by the Azerbaijani state and the title of "Photographer of the Year" in Azerbaijan. He is the co-chair of the Gilavar Photo Club of Azerbaijan. # ABOUT AZERBAIJAN

## AZERBAIJAN PHOTO SALON 2020

Azerbaijan is the Land of Fire and the Pearl of the Caucasus, a land where eastern colours combine magnificently with western progress. Azerbaijan is a country of unique nature, unmatched culture, centuries of history with its customs and traditions and fine cuisine; a place which will satisfy the expectations of the most sophisticated gastronomists, and finally, it is the country of Caucasian hospitality and friendliness.

Azerbaijan is situated at the eastern side of the Transcaucasia (or South Caucasus) on the shores of the Caspian Sea. The population of Azerbaijan exceeds 9.8 million and the territory covers an area of 86 600 square kilometers. According to both of these figures, Azerbaijan is the largest country of the South Caucasus. The City of Baku is the capital and the country's largest city. The National language here is Azerbaijani. However, Russian is also widely used and many younger residents also speak English. Azerbaijan shares borders with Iran (765 km), Turkey (15 km), Russia (390 km), Georgia (480 km) and Armenia (1007 km). The eastern shores of the country are washed by the waters of the Caspian Sea.

Historically a part of the Great Silk Road and situated at the crossroads of the geopolitical, economic and cultural interests of many nations and civilizations, Azerbaijan has, since ancient times, aroused the interests of great minds, scientists, travellers and historians. References to this amazing land, located on the western coast of the Caspian Sea and in the eastern part of the South Caucasus, can be found in the ancient writings of Herodotus, Strabo, and Claudius Ptolemy. Azerbaijan has an amazing historical and cultural heritage with more than 7500 natural, archeological, architectural, and historical monuments. Cave drawings at Gobustan, Momine-Khatun

and Garabaghtar mausoleums, the Palace of Sheki Khans, the Maiden Tower, the castles of Absheron, medieval manuscripts decorated with magnificent miniature paintings, antique rugs, and works of literature, arts and sculpture – all of this is just a small part of the country's rich and priceless heritage.

Azerbaijan is often referred to as the “Land of Fire”. It is known that the majority of those residing on this territory before the Common Era were fire worshippers. Since then, the country has preserved the ancient evidence of that era: cave paintings, statues of gods and ancient temples. Two of the most vivid examples of this heritage are the temple of fire-worshippers (“Ateshgah”) at Surakhani near Baku and “Yanardag”, translated as the “burning mountain”. According to legend, “Ateshgah” temple was built by Indian fire worshippers, who arrived here after learning about the eternally burning fire, emitted from the ground, and were so amazed by what they had seen, that they decided to build a temple on this very place. These lands were considered to be sacred for centuries and throughout history were worshipped by the followers of Zoroastrianism, Hinduism and Sikhism.

The fire rhetoric, passed from generation to generation, has been reflected in the many artistic works of Azerbaijani masters throughout the centuries, and has recently reached its culmination in the form of The “Flame Towers” complex. Constructed in Baku not long ago, the Flame Towers have, in very a short period of time, become a breathtaking architectural landmark of the capital city, embodying a tribute to our history, and representing contemporary Azerbaijan – a new, ambitious country, developing and progressive, but still loyal to its roots and origins.

Azerbaijan is the West in the East and the East in the West! Welcome!
